THURSDAY MAY 27, 9 AM – 4:30 PM

5512 MAIN STREET, MANOTICK, ON.

FUSION MEMBER PRICE \$200

WITH 3-DAY CONFERENCE TICKET \$175

Using torches, participants will make basic glass beads and learn decoration methods. Alex will demonstrate a variety of basic flame-working and simple surface decoration techniques. The beads will be annealed overnight and may be picked up at the studio the next day.

Free parking available on site. Lunch will be provided. Class limit 6 students.

D. FIBRE KILN BUILDING

Demonstration Workshop – Colette Beardall and Anne Chambers

THURSDAY MAY 27, 1 PM – 3:00 PM

CARLETON UNIVERSITY PARKING LOT

FUSION MEMBER PRICE \$58

WITH 3-DAY CONFERENCE TICKET \$33

Colette and Anne will lead participants through the process of building a fibre Raku kiln which will then be fired on Friday during the raku workshop. A fibre kiln is cost effective, inexpensive to fire, light weight, portable and easy to use. Discussion will cover where to source supplies.

FRIDAY MAY 28 WORKSHOPS

E. RAKU: GLAZING AND FIRING

Hands-On Workshop – Colette Beardall and Anne Chambers

FRIDAY MAY 28, 10 AM – 4:00 PM

CARLETON UNIVERSITY PARKING LOT

FUSION MEMBER PRICE \$85

WITH 3-DAY CONFERENCE TICKET \$60

The dynamic duo of Colette and Anne will ensure you have a fun-filled day while enjoying the excitement of a raku firing. Colette, known for her raku Inukshuk sculptures, and Anne, for her fumed ferric chloride bottle forms, will guide you through various raku techniques from copper mattes to fumed horse hair. Participants will need to bring 2-3 bisque pots no bigger than 8" x 8" x 8", paint brushes, work gloves, and closed toe shoes. Glazes supplied. Bring your own bag lunch.

and Pot Luck Lunch

FRIDAY MAY 28, 10 AM – 4 PM

221 KELLY RD., FARRELTON, QC

FUSION MEMBER PRICE **\$80**

WITH 3-DAY CONFERENCE TICKET **\$60**

Anne will explain how she built her bourry-box wood kiln. Discussion will include the history of wood-firing, the joys and pains of the combustion process, the choices of wood-fire clays, glazing, stacking and sources of wood, flame colour, the effect of fly ash, and the variable effect of the fire on clay. Workshop includes lunch of homemade soup, fresh bread and anything you'd like to bring to add to a potluck in the country.

L. MAKING YOUR OWN TOOLS

Hands-On Workshop – Victoria Jenkins

FRIDAY MAY 28, 10 AM – 4 PM

2321 10 LINE, RR2, CARLETON PLACE, ON.

FUSION MEMBER PRICE **\$85**

WITH 3-DAY CONFERENCE TICKET **\$68**

Victoria will demonstrate the use of tools for texturing and trimming, as well as a hand-held extruder and hygrometer, bisque moulds for a variety of shapes, cone 6 firing pins, handle cutters, slip trailers, paint brushes, irregular shaped extruder dies and hole cutters, and more. You will have time to build some of the items demonstrated. Materials will be provided. Exploration of new ideas and techniques often requires inventing and developing tools for special purposes. Participants are invited to bring tools that they have developed to share ideas. Lunch is included.

M. TILE DESIGN

Hands-On Workshop – Hanne Lawrence

FRIDAY MAY 28, 9 – 12:30 PM

42 EISENHOWER CRESCENT, OTTAWA, ON

FUSION MEMBER PRICE **\$65**

WITH 3-DAY CONFERENCE TICKET **\$48**

In her home studio Hanne will demonstrate how to make relief-carved mosaic tiles for specific places. Hanne will explain the complete installation process using examples of tiles installed in bathrooms, the kitchen, in a fireplace surround, on table tops and more. Participants will have the opportunity to design and carve their own relief tile (6 x 6 inch tile of cone 6 clay supplied by Hanne), which can be taken home for firing. Tools are provided, but participants are invited to bring their favourite carving tools to the workshop.

N. SLIP CASTING

Demo Workshop – Margaret-Ann Capper

FRIDAY MAY 28, 9 AM – 4:00 PM

CARLETON UNIVERSITY, RESIDENCE COMMONS BLDG

FUSION MEMBER PRICE **\$95**

WITH 3-DAY CONFERENCE TICKET **\$75**

Margaret-Ann will demonstrate the slip casting technique in this workshop. She will combine the colour in the clay with slip trailing, marbling and laminating to create unusual forms, both functional and non-functional. Bring a lunch or use campus cafeteria.
